fraud investigations, contract damages, and business valuations. A graduate of the State University of New York at Plattsburgh, she is a member of the Association of Insolvency and Restructuring Advisors, the New York Institute of Credit, and the Turnaround Management Association.

Dr. Melissa Lee, a radiologist, has joined the staff of the **Montclair Breast Center**. Working with colleagues including Dr. Nancy Elliott, founder, and Dr. William Ko, imaging director, Lee will help or-

ganize and manage the Breast Magnetic Resonance Imaging suite slated to open this year, as well as supervise daily operations and patient consultations. Previously, Lee was a clinical assistant radiologist at the Memorial Sloan-Kettering Cancer Center in Manhattan. She is a frequent contributor to medical journals and is co-author of "Breast

LEE

HALL

Lesions Detected by MRI Imaging: Features and Positive Predictive Value." Lee was certified by the American Board of Radiology in 2001 and was licensed by New York State in 1997. She graduated from Wellesley College and from the Albert Einstein College of Medicine. She pursued further training at Memorial Sloan-Kettering, as well as at

Montefiore and Beth Israel medical centers.

Samantha Treston has joined the sales promotion agency **Einson Freeman**, Upper Saddle River, as a senior account executive. Before joining Einson Freeman, Treston was an account executive with DVC Group Worldwide. She also worked at St. Jacques Communications Design as manager of client services.

Palisades Financial, Englewood Cliffs, a real estate investment banking and advisory services
