Elliott to speak at conference

Dr. Nancy Elliott, breast surgeon and founder of the Montclair Breast Center, is the only surgeon among the country's leading breast care special-

**DR. NANCY
ELLIOTT**

ists invited to address the "Image Detected Breast Abnormalities and the Radiologist" conference in Key Largo, Fla., this weekend.

The purpose of the conference is to bring together top radiologists and breast imaging specialists that are thought-leaders in the area of breast disease.

The Key Largo conference will cover the latest advances and techniques in breast biopsy and diagnosis, biopsy modalities and current management approaches of breast patients.
