

Meet the Breast Team!

Melissa Lee, MD, Marcie B. Hertz, MD, FACS, Rose Heller-Savoy, MD, Nancy L. Elliott, MD, FACS, Dana Holwitt, MD and Cheng Ow, MD

Here is one of the most experienced, well trained and dedicated physician breast teams in the nation, and they are here for you! Their amazing multidisciplinary facility combines expert radiologists dedicated solely to breast imaging with breast surgeons who are leaders in the latest surgical techniques. And studies show that treatment by specialists improves breast cancer outcomes.

But beyond specialization, these women are a team: Fellowship trained breast imagers and surgeons working together all day long! The result is a uniquely streamlined, effective, state-of-the-art treatment process. Montclair Breast Center's team provides seamless expertise, from screening through diagnosis and treatment to follow up, which results in our extraordinary outcomes.
