

FROM THE GRANDMA OF:

David

Kyle

Julia

Olivia

Stefanie

Danielle

July, 2010

To Whom Yada, Yada, Yada,
I was nervous, I was scared
But I soon learned that they cared.
In the MRI, my hearts were bared,
Wires inserted, sure felt weird there.

The room was freezing -
I came out sneezing.

But the surgery was soon done
My fight over cancer was won!

No longer scared -
Cause everyone cared!

With grateful appreciation
Jane Haas
