

October 2006

Dear Dr. Elliott and
Staff,

As I begin my Journey
of Hope, I am most thank-
ful to you Dr. Elliott,
Dr. Hall and your won-
derful staff for taking
each step with me.
You are giving me the
Courage to accept what
I cannot change the Con-
fidence to take baby
steps each day to meet
the Challenge, and most of
all the Hope to believe
in The Power of Prayer.

We are making great
strides in Conquering this
disease and I know as

one of its Victims, I want to
be able to stand up one day
and shout "I am a Cancer
Survivor!"

Thank you for your
dedication and persistence
in fighting for my behalf
everyday.

You always do
the nicest things
in such a
special way.

Hopefully we will all
one day see the signs
of Victory posted on flag
poles along North Fullerton
Avenue. Thank you Dr. Elliott,
Gratefully,
Marie J. Martignoni
