Dear Dr. Elliott,

For months I've been trying to find just the right words to thank you for all that you have done for me. But, how do you begin to thank the person who saved your life? So I'm going to take the advice of Leonardo DaVinci "Simplicity is the ultimate sophistication." Thank you, from the bottom of my heart for giving me the life my mother was never able to have.

Sincerely,  
hisa Tomaselli
